COUNTY ISSUES BOIL WATER ORDER FOR YOGA CENTER

Test Results Show Bacteria in Drinking Water at Yoga Center Mother's Kitchen

The County Department of Environmental Health (DEH) has issued a Boil Water Order and Public Notification for Yoga Center Mother's Kitchen located at 33120 Canfield Road in Palomar Mountain, CA which is effective immediately.

A water sample collected and reported by the facility, confirmed the presence of total coliform bacteria in the water distribution system. *E. coli* bacteria was **absent** in all samples. Total coliform bacteria can be found in some soil and other sources in the environment, and can indicate a problem with the water supply system. The Boil Water Order was issued to Yoga Center Mother's Kitchen to ensure that all water used is free from contamination. The Boil Water Order will remain in effect until the distribution system has been disinfected and additional samples confirm the absence of bacteria in the water supply.

Yoga Center immediately took steps to prevent the public from using contaminated water by posting public notification.

For more information on the Boil Water Order, please contact Ted Mullins, Yoga Center Mother's Kitchen, at (760) 742-4233.
